The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

**Partial Amendment**

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

On August 4, 2006, the Exchange filed with the Commission SR-NYSEArca-2006-47 relating to the voluntary withdrawal by issuers of their securities listed on NYSE Arca LLC, the equities trading facility of NYSE Arca Equities, Inc., including with respect to dually listed issuers (Rule 5 Listings).

The Exchange proposes the following amendments:

1. Restate the heading of Exhibit 1 to replace incorrect language. The new heading will read as follows:

Page 7:

Self-Regulatory Organization; Notice of Filing of Proposed Rule Change by  
NYSE Arca, Inc. Relating to NYSE Arca Voluntary Delisting

2. The Exchange also seeks to replace Exhibit 5 of the initial filing in its entirety. Language was inadvertently omitted which resulted in an inaccurate representation of existing rule text. The attached Exhibit 5 corrects those discrepancies.

**[An Issuer Proposing to Withdraw]****Rule 5.4(b). Issuer Proposing to Withdraw**

[An issuer proposing to withdraw a security from listing on the Corporation shall submit to the Corporation a certified copy of a resolution adopted by the board of directors of the issuer authorizing withdrawal from listing and registrations, a letter from an authorized officer of the issuer providing the specific reasons cited by the board of directors of the issuer for the proposed withdrawal, and a copy of the Form 25 that the issuer has filed with the Securities and Exchange Commission in accordance with Rule 12d2-2 promulgated under Section 12(d) of the Securities Exchange Act of 1934, as amended, no later than the date of such filing. The issuer may be required, under special circumstances, to submit the proposed withdrawal to the shareholders for their vote at a meeting for which proxies are solicited provided the security is not also listed on another exchange having similar requirements.]

An issuer may delist a security from the Exchange after its board approves the action and the issuer (i) furnishes the Exchange with a copy of the Board resolution authorizing such delisting certified by the secretary of the issuer and (ii) complies with all of the requirements of Rule 12d2-2(c) under the Securities Exchange Act of 1934. The issuer must thereafter file a Form 25 with the Securities and Exchange Commission to withdraw the security from listing on the Exchange and from registration under the Securities Exchange Act of 1934. In addition, the issuer must provide a copy of the Form 25 to the Exchange simultaneously with the filing of such Form 25 with the Securities and Exchange Commission. If an issuer delists a class of stock from the Exchange pursuant to this Rule, but does not delist other classes of listed securities, the Exchange will give consideration to delisting one or more of such other classes.

If, however, an issuer proposing to withdraw from listing is also listed on a national securities exchange or the Nasdaq Stock Market (including the Nasdaq Capital Market or any successor thereto), it need not submit the board resolution required by Rule 5.4(b)(i) above, but, in lieu thereof, must provide a letter signed by an executive officer of the issuer setting forth the reasons for the proposed withdrawal. Such issuers must still otherwise comply with the other requirements of this Rule and Rule 12d2-2(c) under the Securities Exchange Act of 1934.

The Exchange [Corporation], upon receiving written notification of the issuer's intent to withdraw its securities from listing and registration, shall post notice of such intent on the Exchange's website by the next business day and until the delisting becomes effective. An issuer seeking to voluntarily apply to withdraw a class of securities from listing on NYSE Arca pursuant to this paragraph that has received notice from NYSE Arca, pursuant to Rule 5.3, Rule 5.5 or otherwise, that it is below NYSE Arca's continued listing policies and standards, or that is aware that it is below such continued listing policies and standards notwithstanding that it has not received such notice from NYSE Arca, must disclose that it is no longer eligible for continued listing (identifying the specific continued listing policies and standards with which it does not comply) in: (i) its statement of all material facts relating to the reasons for withdrawal from listing provided to NYSE Arca along with written notice of its determination to withdraw from listing required by Rule 12d2-2(c)(2)(ii) under the Exchange Act; and (ii) its public press release and Web site notice required by Rule 12d2-2(c)(2)(iii) under the Exchange Act.
